

Dear Sir:

I am interested in purchasing a case of your JCS Jamaican Country Style Jerk Seasoning. A friend of mine brought a jar back from the Miami area and I have fallen in love with it. As it is unavailable in this area, I am inquiring as to how I can get some shipped to me in Mississippi.

This may seem a little strange, but I enjoy highly seasoned foods, and your Jerk Seasoning is some of the best pepper sauce I have ever tasted. If you would, write or call me, to explain how I may order a case. And if at all possible, send me a list of other products that you may carry (especially peppers and spices).

Sincerely,
C.H. Faulkenberry, III

Dear Sirs:

I bought a jar of "JCS Real Jamaican Country Style Boston Jerk Seasoning" while on vacation in Georgetown, Grand Cayman. You are listed on the label as the distributor.

Please let me know where I can buy this sauce in Houston. If it is not available here, I would like to order a case of it from you, if possible.

Thank you,

Dear Sir/Madam:

I'm interested in purchasing your "Jamaican Country Style Hell Hot Pepper Concentrate". I have been unable to locate the product in the Metropolitan Area (DC, VA, MD). Your assistance in locating this product is greatly appreciated.

Dear

Sir/Madam:

As a hot food aficionado, I cannot tell you how much I love "Jamaican Country Style" Hot Pepper Sauce. However, I cannot find it at any of the local grocery stores in our area (Stuart, Jensen Beach, Ft. St. Lucie). One local store had several bottles 3 or 4 months ago, which I promptly bought up. I am now nearing the end of the last bottle, and would love to be able to purchase more.

Can you please help? Is it possible to purchase this sauce direct?

Several of my friends have also expressed interest in obtaining this sauce.

Thank you for your attention to this request.

Sincerely,
Robb Venturini

Dear Sir/Madam:

I recently did a shopping trip at Grand Union on St. Croix, US Virgin Islands. There I purchased your Jamaican Country Style 100% Pure Ground Black Pepper. I have not used a better pepper in my 20 years of cooking. I am living in Altamonte Springs, Florida a portion of the year and want to know what stores in this area carry your product.

Thank you,

Dear Sir:

Please send me information on all your products that you distribute in Miami. For example: Jamaican Country Style Boston Jerk Seasoning (Hot and Spicy). I would like to know where I can buy these products in New York or Mexico City or if I can buy them direct from your company. Also, are these products found in Mexico?

I will wait for your answer as quick as possible.

Yours truly,

Dear Sir/Madam:

I'm very interested in purchasing 5-7 jars of JCS Real Jamaican Country Style Boston Jerk Seasoning; Hot & Spicy. I was in Grand Cayman and purchased another Jamaican Jerk Seasoning in hopes it was like yours since I could not find JCS but Foster's Grocery did not carry it. Please let me know how I can get yours. I'm on my last jar.

This brand does not compare with yours. It's the difference in pickles and peppers. Please let me know how to order yours.

Thanks,

Dear Sir/Madam:

I'm writing to ask if it is possible to order Jamaican Jerk Sauce one case at a time. I live in Hernando County, FL, and cannot find this anywhere.

I'd need to know prepaid cost if this is possible. If it is not, I might be able to convince a shopkeeper to stock this.

Please let me know as soon as possible.

Thank you.

To: Atlantic International Traders:

Last month I was visiting Miami and bought two of your products at a local supermarket: Jamaican Curry Powder and Crushed Scotch Bonnet Peppers. These products have been instant success in my home.

Could you please inform your distributor closer to Ventura County, California? If you have none in this area, can you send me a product listing so I may order them directly from you?

If you have other products, I'd love to try them, too. Congratulations on your products!!

Thank you,

To Whom It May Concern:

I am interested in your product, Jamaican Country Style Sauces. Could you send some information as to where I would be able to buy your product in San Diego? I came across the "Hell Hot" sauce in San Francisco at Prince Neville's Reggae Runnings and loved it. I also bought the Scottish Peppers and enjoyed them also.

I let some friends in on your product and received some high compliments. They would like to get some of the sauces, but I have not found a store or market here in San Diego that carries your line.

If you do not have a distributor in San Diego County, I would be honored to market your product line in this area. I believe that San Diego would be a great market for your sauces. I am willing to give it my all to launch products in this area. Thank you for your time.

Dear Sirs:

I purchased several bottles of your Jamaican Country Style Boston Jerk Seasoning some time ago at a West Indian grocery store in Washington, D.C. I have tried other products since then, hoping to find a product as good as yours. I can't get to Washington very often, but when I went back on several occasions, the little shop carried another product.

I've lived in Mandeville, GA for 3 years and have visited many times since. Your product is the best packaged jerk seasoning that I have ever tasted.

Please let me know how to obtain your product in my area. I would also appreciate the opportunity of ordering your product by the bottle or case, whichever is available.

Sincerely,
